Steps:
1. Navigate to: localhost:3000
2. Click on the "Draw" button
3. Wait for the bots to be displayed

Test Postconditions:
-5 cards with different bots should be displayed
-each card should have an "add to duo" button on it
-player should see the instructions "Choose 2!"Par

Bug Report:
Description:
November 4, 2022

The "See All Bots" button when clicked does not display the bots

Steps to Reproduce:
1. Navigate to localhost:3000
2. Click on the "See All Bots" button
3. Wait for the results

Expected Result:
The cards for all of the bots should be displayed on the screen

Actual Result:
None of the cards for the bots are displayed on the screen
